

### **Farah Furnival – Parent Governor**

Hi I'd like to introduce myself, I'm Farah Furnival, one of Peel Hall Primary School's Parent Governors.

I have had this role for many years and I have really enjoyed it.

I have five children, my eldest being 15, and we have had our full primary school journey with Peel Hall with two of my children still attending.

I work alongside my husband running our rental properties in the local area, as well as running a number of hotels / apartments in Greece, Cyprus and Blackpool,

I have lived in the local area my whole life so understand our families and community very well, the past few years I have seen many changes in our school but I see a very bright future ahead. I am extremely proud of our children and staff at Peel Hall, we are now in an amazing place and cannot wait to see what the future holds.
