

Roxy Roscoe – Parent Governor

Hello! I'm Roxy Roscoe, the Parent Governor and EYFS Governor for Peel Hall Primary School. I've lived in Little Hulton for 9 years, and I'm the proud mum of a wonderful daughter who also attends the school.

I moved to Manchester in 2013 to do my degree and masters degree at the University of Salford, and ended up settling down here and making it my home. I applied for the governor position after my daughter started school, as I wanted to give something back to the local community and have my voice heard when it came to important matters that affect us all at Peel Hall.

I've had a lot of different work and life experiences over the years, and learned a lot about a variety of societal issues, and I currently run my own small jewellery business so spend a lot of time communicating with a plethora of people from all walks of life. I'm also passionate about my animals (three cats and a dog), rock and metal music, and different types of crafting!

My hope is that I can use my knowledge and skills to help support the board in any way I can, whilst also learning new things along the way.

As a neurodivergent and disabled parent with a child who lives with Autism and ADHD, I believe I can provide somewhat of a distinctive and helpful viewpoint to the board when it comes to important decisions that affect current and future pupils at our school.
