

Headteacher's Newsletter

Tuesday 19th April 2022

Welcome back to school! We hope you have all had a wonderful Easter break.

I wanted to start this term by telling you how proud I am of the children last term for learning and demonstrating our new Peel Principles. We have given out over a hundred certificates and ten medals in one term which is a real reflection of the amazing character of the children at Peel Hall. You should all be so proud of your children.

School offer TOAST CLUB every day at 8.15 where children can get toast and juice. Charge 20p. We are currently consulting parents on a more formal wrap around care provision.

ATTENDANCE

Please don't forget to tell us if your child is absent from school on the school app, email or by telephone

Thank you so much for your support getting children to school this term. We have seen a slow and steady rise in attendance for the school. We started the term at 92% and are now at 93%. School target is 96% and look forward to working with you to achieve this.

Star year group this term is Year 5
Please remember children need to be in school by 9.00am to ensure they have a full day of learning

School Matters!

National Testing Returns

We have a busy term ahead of us this year with national assessments returning for the first time since the coronavirus pandemic began. Children will undertake a phonic screener in Year One and Year Two, multiplication screener in Year Four and SATs tests in Year Two and Year Six. Further information will be provided by the relevant classes as these events take place.

Can we please ask that children do not climb on the play equipment before and after school to ensure the safety of all children. Thank you.
