## 21<sup>st</sup> February 2022

How wonderful it has been to welcome all our children back into school after the Christmas break. **Year 1** and **Year 2** have had some of our best attendance figures this term with over **95%** of children attending school each week.

We have some brilliant learning planned (see below) for the children during Spring Term 2 which I'm sure the children will love sharing with you – check out our class blogs each week. If you have any questions, please don't hesitate to ask one of the KS1 team.

Thank you for your continued support.

Mr Wilson
