

Monday 16<sup>th</sup> May 2022

Dear Parents

As you know, we are coming up to our end of year assessments. These will be taking place on the last week of the school term starting on the 23rd May.

We will be doing one assessment per day and will be taking the children out in small groups throughout the morning. There is no time limit to these tests and the children will be allowed to finish in the time they need. This is similar to how we have conducted previous tests this year in order to help keep the children in a routine.

We are both proud of the hard work the children have done throughout the year and we know they will try their best throughout the week.

In order to support your child through our SATs week you can:

- Read your child's reading book with them
- Use their TT Rockstars account to help them practice their maths
- Assure them that they have nothing to worry about.

If you have any questions then we will be more than happy to help.

Many thanks

Mr Bean and Mr Newby
